HOSPITAL VISIT REPORT

A visit to **PRIMARY HEALTH CENTRE, GHODPETH** was arranged for the student of D.Pharm First Years of Manwatkar College of Pharmacy, Ghodpeth (Chandrapur) on 21 December 2023

A batch of 31 Student along with a principal, faculty member had visited the hospital. The details are mentioned below

Introduction

The objective of hospital visit for a pharmacy student is to gain practical experience and insights into the role of pharmacist in clinical setting. This may include observing medication dispensing, understanding the medication management process, interacting with healthcare professionals, and learning about challenges and responsibilities associated with hospital pharmacy practice. It provides student with real world understanding of how pharmacy principles are applied in patient care.

About Primary Health Centre

Primary Health Centre (PHCs), sometimes referred to as public health centres, are state-owned rural and urban health care facilities in India. They are essentially single-physician clinics usually with facilities for minor surgeries. They are part of the government-funded public health system in India and are the most basic units of this system.

II. Itinerary:

Departure	The visit commenced at 10:30 am from the college, with transportation via the college bus.
Arrival	Reached Primary Health Centre in Ghodpeth at approximately 11:00pm.
Reception	Warmly welcomed by the hospital team.

III. Hospital Tour:

A. Group Formation: Students divided into two groups for an organized tour.

B. Departments Visited: In-Patient Ward, Pharmacy, Pathology Lab, Operation Theaters, Emergency Services Etc.
